

SAFETY SERVICES

EQUIPMENT RENTALS

PSSI Safety Services provides specialty technical service and rental equipment, focused on the safety industry. Core rental equipment includes Scott, MSA, RKI, 3M, BW, Honeywell, Haws, Motorola, Kenwood and ISC; as well as our own customized breathing air systems.

GAS DETECTION

Our hands-on certified technicians provide instruction for a wide range of gas detection:

- Single-Gas
- Multi-Gas
- Photo-Ionization Detectors (PID's)
- Wireless Gas Detection Systems

We offer long and short-term rentals, repairs, calibration and sales of gas detection with accessories.

RESPIRATORY PROTECTION

Grade D Breathing air including:

- Single Cylinders
- 6 /12 Cascades
- Tube Trailers
- Breathing Air Filtration Systems
- SKA's
- SCBA's
- Supplied Air Respirators
- 20 Bottle Trailers

BREATHING AIR SERVICES

Our staff has the best programs and processes for your critical path turnaround projects to keep your people safe and operations profitable. Proper rigging, staging and usage of breathing air equipment and proper certification and delivery of Grade D Breathing Air.

RADIO COMMUNICATION

Increase safety by providing communication in emergency situations with our full stock of 16 channel UHF/VHF high-performance, top-quality Motorola portable radios:

- Intrinsically Safe
- FM Approved
- OSHA Compliant

We offer custom frequency programming.
